Subject FINAL SUBMISSION - ROSIN ADDUCTS AND ADDUCT SALTS - PINE
CHEMICALS ASSOCIATION CONSORTIUM REGISTRATION NO.
1101004

Attached is the Final Submission for Rosin Adducts and Adduct Salts. As we previously submitted a revised test plan, it would be inaccurate to label this Final Submission as another revised test plan since that is not the case. Our revised test plan on the above subject category was posted on the HPV website on October 17, 2002, and the necessary testing was subsequently undertaken and completed. Therefore, we respectfully request that this Final Submission be posted on the HPV website and identified as such.
